SUMMARY

Motivated front-end developer skilled in HTML, CSS, JavaScript, and React.js, with a proven ability to create responsive and user-friendly web applications. Experienced in developing clean, maintainable code and optimizing for cross-browser compatibility. Passionate about delivering innovative web solutions and eager to contribute as a junior front-end developer.

SKILLS

Languages: HTML, CSS, JavaScript

Frameworks & Libraries: React.js, Tailwind CSS

Specializations: Responsive Design, Single Page Applications (SPA)

Tools & Platforms: Git, VS code, Netlify

PROJECTS

Portfolio Website <https://sridhar31-portfolio.netlify.app>

- Created a personal portfolio website using React.js and Tailwind CSS to showcase skills, projects, and professional achievements.
- Designed a responsive and visually appealing layout to ensure seamless viewing across all devices.
- Developed reusable React components for efficient code management and scalability.
- Built the project to establish a strong online presence and provide recruiters with an interactive way to evaluate my expertise.

Electricity Bill Calculator <https://eb-bill-calculator.netlify.app>

- Developed an interactive web application using React.js to help users calculate and manage their electricity bills effectively.
- Implemented dynamic calculations to provide users with clear insights into their electricity consumption patterns.
- Designed a responsive interface to ensure accessibility across devices, promoting awareness of energy-saving techniques.
- Aimed to empower users with actionable information for reducing electricity costs through optimized usage.

EDUCATION

B.Sc. Computer Science

Yadava College, Madurai (2021 - 2024)
