LinkedIn: <https://www.linkedin.com/in/sridhar31/> | Location: Madurai, India | Portfolio: [Portfolio](#)

### Summary

Full Stack Developer skilled in building end-to-end web applications using React.js, Node.js, Express.js, and MongoDB. Experienced in developing REST APIs, JWT-based authentication, database design, and responsive frontend interfaces. Passionate about writing clean, scalable code and eager to work on real-world products.

### Skills

Front End: HTML, CSS, JavaScript (ES6+), React.js, Tailwind CSS

Back End: Node.js, Express.js, MongoDB, Mongoose, JWT, bcrypt

APIs & Data Handling: REST API, Axios, Fetch

Version Control & Deployment: Git, GitHub

Other Specializations: Responsive Design

### Experience

#### Frontend Intern

**Skandavel webtech private limited**, Madurai

[Sep 2025 - Dec 2025]

- Developed responsive UI components using React.js and JavaScript (ES6+).
- Applied core React concepts such as components, props, state, and hooks.
- Worked with REST APIs to fetch and render dynamic data.

### Projects

**Sar bathkart Website**    Live Site: <https://sar bath-kart-pro.onrender.com/>

- Developed a responsive e-commerce site using **React.js, Tailwind CSS, and React Router** with dynamic cart and product pages.
- Built backend with Node.js, Express.js, MongoDB, and JWT for user auth, order handling, and secure API routes.
- Integrated contact and checkout forms with real-time MongoDB storage and deployed frontend/backend on Render.

**Local Service Booking**    Live Site: <https://lsb5.vercel.app/>

- Helps users quickly find and book nearby home services like plumbing, electrician, AC repair, etc.
- Provides a simple booking flow where users can choose service type, date, and time slot easily.
- Implemented service listing, service details, and booking flow with form validation.

**EB Bill Calculator**    Live Site: <https://eb-bill-calculator.netlify.app>

- Developed an electricity bill calculator using React.js and JavaScript.
- Added input validation and real-time UI updates for better user experience.
- Implemented slab-based billing logic with dynamic calculation based on user input.

### Education

B.Sc. Computer Science

Yadava College, Madurai (2021 - 2024)
